**Be Ambitious, Spark
Imagination, Celebrate
Success**

Go Wild outdoor learning sessions: Correct clothing is important for the children to be able to fully engage in the session and for them to feel comfortable, warm and dry. The following clothing must be worn to school for each session please:

Dark coloured jogging bottoms or leggings

A t-shirt, or a dark long-sleeved top

A dark coloured warm jumper or fleece

A waterproof coat and trousers, **and** an extra warm layer or coat for winter

Wellies or waterproof boots/shoes

Thick warm socks, a hat, waterproof gloves for colder weather

Warm, waterproof boots or shoes are advised for much colder weather as wellies do not keep the children warm.

Thank you
Miss Hill (Outdoor Learning Lead)
