Be Ambitious, Spark Imagination, Celebrate Success

Email received from a family relocating September 2023

We sincerely thank you and every member of your team for the great job you did during the start of the kids under your care and in your school.

As a family we express our heartfelt gratitude for been fair to our children and we hope that you will continue to allow children of ethnic minorities to enjoy equality and inclusiveness as they go through your school just as you accommodated our kids.

I am very proud of everyone of you particularly S's teachers they did an amazing job in shaping him. His accent and spoken English is second to none and I am sure he would not forget in a hurry how your school has impacted him coming from Africa and he will forever give credit to your school and his teachers for making the difference.

Thank you again and again. Our children will miss your team.
