

Ravensdale Infant & Nursery School

Be Ambitious, Spark Imagination, Celebrate Success

Email received from a family relocating to Nigeria September 2023

We have thoroughly enjoyed our time at Ravensdale, and we are grateful for the wonderful educational experience and support that she has received. The school has played a vital role in shaping her academic and personal growth, and we will always cherish the memories and relationships she has formed during her time there.

Due to a mandatory service to the government of Nigeria, the family relocated to Nigeria and my daughter will be enrolling in a new school abroad. We believe this transition will be an exciting opportunity for her to experience different cultures, broaden her horizons, and further her education.

We would like to express our gratitude once again for the positive impact Ravensdale has had on our daughter's life, and we are confident that she will carry the valuable lessons and experiences gained here with her in her new educational journey abroad.

Thank you for your understanding and cooperation in this matter. We wish Ravensdale continued success and hope to keep in touch with the school community even as we embark on this new chapter in our lives.
