Statement of intent

At Ravensdale Infant and Nursery School (RINS), we understand that what pupils eat and drink at school is important. We aim to teach pupils about food and nutrition through the curriculum and reflect these principles in the school's food menu and cooking provisions.

We acknowledge the important connection between a healthy diet and a pupil's ability to learn effectively and achieve high standards in school. We also acknowledge that we can play a key role in supporting the wider community to adopt a positive attitude to a healthy lifestyle.

As part of our healthy eating and living campaign, our catering team will uphold the highest standards of quality, nutrition and cleanliness; adhering, without exception, to the food standards and legal obligations. As such, this policy has been implemented to allow us to provide food in a safe and hygienic manner.

All children in Foundation Stage 2 (Reception) and Key Stage 1 (Years 1 and 2) are provided with a universal free school meal.

The ethos of our meal service is to provide home cooked, tasty food for each child in school. One of the most important factors is to ensure the food is of good quality, seasonal and that animal welfare is considered. The lunches offer a varied and well-balanced menu constructed on the principles of healthy eating. A salad bar is available every day and children are encouraged to choose from the four options of food available daily. Each day we offer two hot and two cold choices. A school made sandwich option is available daily with a range of fillings. Desserts are also offered daily, this may include a yoghurt, a home cooked biscuit or cake. Fruit is available each day. We are an inclusive school and will work with parents/carers to adapt our menu where necessary and possible, for children with sensory issues or issues around food.

Children in Foundation Stage 2 and Key Stage 1 are permitted to bring packed lunches into school. Parents/Carers must select the days they will send a home prepared packed lunch a half term in advance. Home prepared packed lunches must follow the guidance in our Healthy Eating and Drinking Policy

Children are asked not to bring any snacks into school as they are provided with a free piece of fruit each, during the morning.

Children must bring a bottle of water to school each day. Please label the bottle with your child's name and ONLY FILL WITH WATER - juices and fizzy drinks are not permitted in school.

Nursery Children only:

Children in the Nursery can choose from the school lunch menu or may bring a packed lunch into school. The cost for a school lunch is £2.50 per day. We encourage food brought into school for the Nursery children to be healthy choices. Nuts are not allowed to be brought into school in any form.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- The Requirements for School Food Regulations 2014
- The Food Information (Amendment) (England) Regulations 2019
- The Food Safety Act 1990
- The Food Safety (General Food Hygiene) Regulations 1995 (as amended)
- The School Standards and Framework Act 1998
- The Products Containing Meat etc. (England) Regulations 2014

This policy operates in conjunction with the following non-statutory guidance:

- DfE (2019) 'School food in England'
- The School Food Plan (2014) 'School Food Standards: A practical guide for schools, their cooks and caterers'
- Healthy Food and Drink policy

2. Roles and responsibilities

The governing board is responsible for:

- The provision of food for the school – ensuring pupils entitled to FSM and pupils who have requested school meals receive them.
- Ensuring the agreed food provision adheres to the food standards.
- Ensuring that, where possible, all pupils have the opportunity to eat one hot meal a day.
- Ensuring that drinking water is provided free of charge at all times.
- Providing free-to-use facilities to eat food, including accommodation, furniture and supervision, so pupils can eat their food in a safe and social environment.
- Ensuring that lower-fat milk is provided during school hours.
- Ensuring that milk is provided free of charge to infants and pupils entitled to FSM.
- Ensuring a free piece of fruit or vegetable is provided outside of school lunch hours for all pupils through the School Fruit and Vegetable Scheme.
- Ensuring that there is coordination across all catering services sought by the school, to guarantee compliance with school food standards.
- Ensuring that all pre-packaged foods available at the school provide full ingredient lists and allergen labelling.

The headteacher is responsible for:

- Organising food hygiene training, including on allergens, for all in-house kitchen staff, and refresher training.
- Ensuring facilities are cleaned to the highest standards, conducting inspections where appropriate.
- Ensuring the kitchen staff have completed and keep an up-to-date food hygiene plan.
- Discussing with the head cook the meal plans for the term, including where food is sourced from and whether there are any healthier alternatives.

- Completing relevant risk assessments.

The head cook is responsible for:

- Providing the headteacher with a copy of their food hygiene certificate upon request.
- Ensuring a food hygiene record is kept, to demonstrate how the school ensures all food and its preparation methods are safe, and that this is reviewed on a half termly basis.
- Checking the temperatures of food storage areas at the start and end of each day to ensure they are running at the correct temperature and documenting these in the food hygiene record.
- Ensuring PPE is undamaged and that there is enough PPE for each member of kitchen staff.
- Rotating stock to ensure food with a shorter shelf life is used and consumed before food with a longer shelf life.
- Withdrawing stock that has gone past its 'use by' date or is not safe to eat.
- Ensuring a cleaning schedule is maintained and reviewed on a termly basis.
- Ensuring high standards of personal hygiene are maintained by all kitchen staff at all times.
- Ensuring the food served to pupils is nutritious and provides them with a healthy balanced diet in line with the school's healthy eating strategy.
- Checking that all pre-packaged food provides full ingredient lists and allergen labelling before it is made available to staff, visitors and pupils.

3. Current food-based standards for school lunches

The school is committed to providing pupils with a healthy balanced diet, in line with the School Food Plan's 'School Food Standards: A practical guide for schools, their cooks and caterers'. The school will use the following standards when planning meals and adapting the healthy eating strategy.

Starchy foods:

- One or more portions of bread, pasta, noodles, rice, potatoes, sweet potatoes, yams, millet or cornmeal will be provided every day.
- Three or more different portions of bread, pasta, noodles, rice, potatoes, sweet potatoes, yams, millet or cornmeal will be provided each week – one or more of these will be wholegrain.
- A type of bread with no added fat or oil will be available every day.
- Starchy food cooked in fat or oil will only be provided twice a week maximum across a school day.

Fruit and vegetables:

- One or more portions of vegetables (all types) or salad will be available every day.
- One or more portions of fruit (all types) will be available every day.
- Three or more different types of vegetables and three or more different types of fruit will be provided each week.

- A fruit-based dessert with a content of at least 50 percent fruit, measured by the volume of raw ingredients, will be provided two or more times each week.

Meat, fish, eggs and other non-dairy sources of protein:

- A portion of meat, fish, eggs, pulses and beans (not including green beans), or other non-dairy sources of protein, will be provided every day.
- A portion of meat or poultry will be provided on three or more days every week.
- Oily fish will be provided once or more every three weeks.
- A portion of non-dairy sources of protein will be provided on three or more days every week.
- A meat or poultry product, e.g. chicken nuggets, will be served no more than once a week.
- No meat will be provided if it contains any carcase parts, in accordance with The Products Containing Meat etc. (England) Regulations 2014.
- No economy burgers will be provided, as defined in The Products Containing Meat etc. (England) Regulations 2014.

Milk and dairy:

A portion of cheese, yoghurt, fromage frais or custard will be provided every day.

Lower fat milk will be available for drinking at least once a day during school hours, e.g. not including breakfast and after-school clubs.

Food high in fat, sugar and salt:

- The school will not provide sachets of salt to be added to meals on top of the salts already included within cooking.
- Condiments will be limited to one teaspoonful
- Confectionary, including chocolate and chocolate-covered products, of any kind will not be served, even as part of a dessert.
- Desserts, cakes and biscuits not containing any confectionary may be served as part of a lunch meal.
- No more than two portions of food containing pastry, and food that is deep fried, bread-crumbed or battered will be served a week.

Healthier drink options:

Drink options the school will offer are:

- Still plain water.
- Lower-fat milk.
- Unsweetened combinations of fruit juice with still plain water (no more than 150mls fruit juice and no more than 330mls total).

4. Portion sizes and food groups

The school will use the following portion sizes and food groups for school lunches, in accordance with the school food standards.

Starchy food:

Food type	Raw, dried or cooked	Primary-aged pupils (aged 4-10)
Bread	N/A	(50-70g) • 1-2 slices of medium bread • 1 small roll • 1 small or ½ large bagel • 1 small pitta • 2 6-inch wraps • 1 10-inch wrap
Potatoes or sweet potatoes	Raw	120-170g
Jacket and baked potatoes	Raw	200-280g
Other starchy root vegetables, e.g. yam and plantain	Raw	100-150g
Pasta and noodles	Dried	45-65g
Rice	Dried	35-55g
Other grains, e.g. cornmeal and couscous	Dried	40-60g
Potatoes cooked in oil or fat	Raw	70-100g
Garlic bread	N/A	20g (1 slice)

Fruit and vegetables

Food type	Raw, dried or cooked	Primary-aged pupils (aged 4-10)
Vegetables or mixed salad	Raw	40-60g
Vegetables including peas, green beans, sweetcorn, carrots, mixed vegetables, cauliflower, broccoli, swede, turnip, leek, Brussels sprouts, cabbage, spinach and spring greens	Cooked	40-60g (1-2 tablespoons)
Pulses, including lentils, kidney beans, chickpeas	Dried	15-20g
	Cooked	40-60g (1-2 tablespoons)

Baked beans in tomato sauce	Cooked	50-70g (1-2 tablespoons)
Vegetable-based soup	Cooked	200-250g
Large-size fruit, e.g. apples, pears, bananas, peaches	Raw	75-100g (1 small sized fruit with skin)
Medium-size fruit, e.g. satsumas, plums, apricots, tangerines, kiwis	Raw	50-100g (1fruit with skin)
Small fruit, e.g. strawberries, raspberries, grapes	Raw	40-60g (10-15 fruits)
Dried fruit, e.g. raisins, sultanas, apricots	Dried	15-30g (½-1 tablespoon)
Fruit salad, fruit tinned in juice and stewed fruit	Raw/cooked	65-100g (2-3 tablespoons)

Meat, fish, eggs, beans and other non-dairy sources of protein:

Food type	Raw, dried or cooked	Primary-aged pupils (aged 4-10)
Roast red meat including beef, lamb, pork, veal, venison and goat	Raw	50-80g
Roast poultry including chicken, turkey, duck and other dishes made from these products	Raw	60-85g
Read meat or poultry in dishes, e.g. casseroles and pies	Raw	50-75g
Meat-based soup	Cooked	200-250g
White fish, e.g. pollock, haddock and cod, which is cooked alone or in a dish	Raw	60-90g
Oily fish, e.g. salmon, sardines and mackerel	Raw	55-80g
Fish or shellfish, e.g. tuna, salmon, mackerel and prawns, which is served in a salad, baked potato or sandwich	Cooked	50-70g
Breaded or battered fish, e.g. fish fingers, fish cakes	Cooked	55-80g
Egg served in a salad, baked potato or sandwich	Cooked	1 egg
Meat alternatives made from soya beans, e.g. tofu	Cooked	50-70g

Pulses, e.g. beans, chickpeas, lentils	Raw	20-25g
	Cooked	50-60g (1-2 heaped tablespoons)
Vegetarian sausages and burgers	Raw/cooked	50-70g
Sausages made from beef, lamb or pork	Raw	50-75g (1 sausage)
Burgers	Raw	55-80g
Scotch pies, bridies, sausage rolls, etc.	Cooked	80g
Breaded or battered shaped chicken and turkey products, e.g. nuggets	Cooked	50-70g

Milk and dairy:

Food type	Primary-aged pupils (aged 4-10)
Lower-fat drinking milk	150-200mls
Milk puddings and whips made with milk	100-120g
Custard made with milk	80-100g
Yoghurts	80-120g
Cheese	20-30g

Foods high in fat, sugar and salt:

Food type	Primary-aged pupils (aged 4-10)
Fruit pies, sponge puddings or crumbles	80-100g
Fruit jelly (portion size excludes fruit)	80-100g
Cakes, tray bakes, muffins, scones, doughnuts	40-50g
Biscuits and flapjack	25-30g
Ice cream	60-80g
Pizza base	50-70g
Gravy	20-30g (1 tablespoon)

Savoury crackers, bread sticks	10-15g (1-2 crackers)
Condiments	No more than 10g

Healthier drinks:

Drink type	Primary-aged pupils (aged 4-10)
Fruit or vegetable juice	150mls
Drinking milk	150-200mls
Combination drinks, e.g. fruit juice, flavoured milk	330mls

Cereals offered as part of breakfast clubs will be high in fibre and will not exceed 22.5g per 100g serving.

5. Exemptions to the school food regulations

The school food standards do not apply to food provided:

- At parties or celebrations marking religious or cultural occasions.
- At fundraising events.
- As rewards for achievements, good behaviour or effort.
- For using in teaching food preparation and cookery skills, including where the food prepared is served to pupils as part of a school lunch.
- On an occasional basis by parents/carers or pupils.

There is a reduced set of standards for food served at lunch time and whole milk can be served as per [section 3](#) of this policy.

6. Healthy eating statement

The school will use healthier cooking methods to contribute to healthy eating, such as the following:

- Using less fat in cooking
- Baking foods rather than frying them
- Increasing use of fats/oils that are high in polyunsaturated fats
- Reducing use of sugar in recipes
- Avoiding using additional salt in cooking processes
- Increasing the use of food items containing high amounts of fibre

All menus created will be in accordance with the nutritional standards outlined in [section 3](#) of this policy.

The school will encourage pupils to adopt healthy lifestyles, both through a nutritional diet and regular exercise, during assemblies, PE lessons and PSHE.

7. Catering service standards

Menus and prices (Nursery only) will be clearly displayed and will contain nutritional information. Additionally, menus will adhere to statutory nutritional standards and will reflect parents/carers' and pupils' preferences.

The cleanliness of the kitchen and serving areas will be kept to the highest standards. Food preparation and serving areas will be cleaned before, during and after preparation and cooking, in accordance with The Food Safety (General Food Hygiene) Regulations 1995 (as amended).

Kitchen staff will:

- Be suitably trained and will have an appropriate recognised qualification in food hygiene.
- Be clean and tidy in appearance and will be courteous to all pupils, staff and parents/carers.
- Adhere to the service times, start and finish, agreed by the headteacher.

The lunchtime service will always commence on time. Pupils entitled to free school meals will not be identifiable from pupils who are not in receipt of this entitlement

8. Purchasing food

All food items are purchased from reputable suppliers to ensure compliance with government buying standards. The school suppliers are:

- Creed
- Hopwells
- Field Supplies
- John Palin

The school places stringent contractual demands on catering suppliers in support of legislative requirements and favourable trade operating practices. All food products and ingredients are checked for acceptability, i.e. nutritional specifications, genetically modified organism requirements and allergen ingredients.

All pre-packaged foods supplied will clearly display the following information on the packaging:

- Name of the food
- Full ingredients list, with allergenic ingredients emphasised, e.g. in bold, italics or a different colour.

All products identified as acceptable for inclusion in our range are compared for ingredient and nutritional value against set specification criteria before being incorporated into the menus.

Any fish products served will be sustainably sourced to promote the importance of sustainable fishing.

9. Food and drink safety

Food will only be consumed in the hall and in classrooms (fruit snacks and Nursery lunches only) with teachers' permission. Pupils will be instructed not to run when they are eating.

Pupils will be permitted to refill water bottles throughout the day.

Staff may eat in the hall with the children, all other hot food will be eaten in the staff room away from pupils.

Electrical equipment, such as kettles, toasters, will be turned off when they are not in use. They will not be kept in classrooms, except in food technology lessons. If pupils are in a food technology lesson (or similar), they will be supervised by a member of staff and the staff member will demonstrate how to use the equipment responsibly. Appropriate PPE will be available for pupils who are handling hot food, drinks or equipment, e.g. oven gloves.

Pupils will not have access to the kitchen without supervision from a member of staff. When eating hot food, pupils will be instructed to use cutlery where possible and to ensure their food is cool enough before eating it.

A first aid kit will be located in each classroom, the first aid room, the kitchen and the food technology room. Each midday supervisor has pouch containing essential first aid items.

The headteacher will conduct a risk assessment for hot food and drinks and staff will receive appropriate first aid training to handle burns etc.

10. Kitchen safety

Kitchen staff will have a list of all allergens and will avoid using them within the menu.

The 14 allergens which are required to be declared are:

- Celery.
- Cereals containing gluten, e.g. barley and oats.
- Crustaceans, e.g. prawns.
- Eggs.
- Fish.
- Lupin.
- Milk.
- Molluscs.
- Mustard.
- Peanuts.
- Sesame.
- Soybeans.
- Sulphur dioxide and sulphite (where they are at a concentration of more than ten parts per million).
- Tree nuts, e.g. almonds, hazelnuts, walnuts.

Where meals include allergens or traces of allergens, staff will use labels to denote which of the 14 allergens are or may be present.

All kitchen staff will be suitably trained in allergy awareness, including how to respond to an allergy sufferer's questions. Training will be assessed regularly to ensure staff are competent and confident in dealing with allergens. Where staff are made aware of updates or ingredient changes by suppliers, this will be acted upon immediately.

The school will use reputable suppliers to source their produce, ensuring the quality of the food served is the same as they have promised to consumers. The school will not be misleading with the food that they serve, and the labelling will accurately represent what is being eaten. A record will be kept of where the school's produce comes from and the school will be prepared to produce this record on demand by an environmental health officer.

Kitchen staff will withdraw any produce that has gone past its 'use by' date. All kitchen staff will be trained in food safety as part of their food hygiene training. Staff will be aware of all the harmful bacteria that could cause serious illness if not treated and removed properly from food sources. In events where suppliers recall produce due to reports of harmful levels of bacteria in stock, staff will remove all traces of the product from the school and ensure the headteacher is notified. Parents/carers will be informed of the outbreak.

Kitchen staff will be aware of the 'danger zone' where microbial growth is stimulated – this is between the temperatures of 8°C and 63°C; kitchen staff will cook food until its core temperature has reached 70°C and remains that temperature for two minutes to minimise the risk of harmful bacteria being present in food.

Kitchen staff will have an in-depth knowledge of the risks of cross contamination. Colour-coded chopping boards and corresponding knives will be used for food preparation.

The school uses the following colour-coded board and knife system:

Colour of chopping board and knife	Food group
Red	Raw meat
Yellow	Cooked meat
Green	Salads and fruit
White	Bakery and dairy
Brown	Vegetables
Blue	Raw fish
Purple	Allergen

11. Food hygiene

The kitchen staff will keep an up-to-date food hygiene plan, in line with the [Hazard Analysis Critical Control Point \(HACCP\) principles](#).

The kitchen staff will receive food hygiene training as part of their induction, with at least one member of staff holding a formal food hygiene certificate which will be kept up-to-date. All kitchen staff will partake in annual food hygiene refresher training.

In line with food safety and hygiene regulations, a food hygiene record will be kept, demonstrating what the school has done to ensure all food and food preparation areas are safe and how this compares with the proposed food hygiene plan. This record will be maintained by the head cook or other designated member of staff and entries will be completed on a daily basis.

For each day of the week, the food hygiene record will include space to record the following:

- The date
- The completion of the opening and closing checks, as outlined in the present section of this policy
- The completion of the day's cleaning tasks, with reference to the cleaning schedule
- Details of any hygiene-related incidents that occurred during the day
- Additional checks that may have been conducted, e.g. pest control checks that take place on a less frequent basis
- A signature from the head cook or designated member of staff that has completed the day's entry

The food hygiene record will also include the following:

- List of suppliers
- Kitchen staff training record
- Food temperature monitoring records
- Fridge and freezer temperature monitoring records
- Hygiene inspection checklist
- Monthly reviews

At each half termly review, the head cook will assess the food hygiene record to identify any persistent problems from that last month. If problems are identified, these will be recorded along with decisions on how to handle them, e.g. providing staff with additional training.

At the beginning of the school day, the following checks will be conducted:

- All fridges, freezers and chilled display equipment are working properly, and fridges are running below 5°C, chill cabinets below 8°C, and freezers at -18°C
- All other equipment, e.g. ovens, is working properly
- Staff are fit for work, not presenting any signs of illness, and wearing clean clothes
- Food preparation areas are clean and disinfected
- There are plenty of handwashing and cleaning materials available, e.g. soap and paper towels

At the end of the school day, the following checks will be conducted:

- No food has been left out
- Fridges are running below 5°C, chill cabinets below 8°C, and freezers at -18°C
- Food that is past its 'use by' date has been thrown away

- Dirty clothes have been removed for cleaning and replaced with clean ones
- Food and cleaning waste has been removed and new bags have been put into the bins

A cleaning schedule will be maintained and stored in the kitchen. The cleaning schedule will outline:

- Items and equipment that need to be cleaned
- How frequently items and equipment need to be cleaned
- Who is responsible for cleaning items and when
- The precautions that must be taken when cleaning
- The methods of cleaning that will be used

Training will be provided to all kitchen staff on how to use the cleaning schedule.

Kitchen staff will keep food preparation areas to the highest standard of cleanliness by doing the following:

- Cleaning before, during and after food preparation
- Keeping a well-stocked supply of cleaning materials
- Ensuring hand soaps and sanitisers are accessible and fully stocked
- Ensuring all chopping boards are stored in a stand and are dry before use
- Storing knives away from the reach of unauthorised personnel in a sanitised draw or stand
- Washing cleaning cloths and towels at the end of the day and drying them before reuse
- Storing cleaning cloths and towels in a sterile cupboard or draw
- Not leaving food products out at room temperature for longer than is necessary
- Storing any bags or personal belongings out of the kitchen to avoid foreign bodies entering the food preparation area

Kitchen staff will complete cleaning tasks as allocated and ensure these are marked as 'Complete' on the cleaning schedule. The cleaning schedule will be reviewed on a half termly basis by the head cook to ensure that cleaning tasks are being completed properly.

Food contact materials will come from reputable suppliers and will be safe for use by staff to package, store, prepare and cook food. For the purpose of this policy, food contact materials include:

- Packaging, e.g., cellophane wrap.
- Food processing equipment, e.g., a food blender.
- Cookware.
- Work surfaces.

The school recognises the importance of food hygiene and will accommodate any member of staff who wishes to complete an official food hygiene certificate as part of their CPD, where possible.

Kitchen staff will wear suitable PPE when preparing food – the PPE will be free from tears, burns or holes. The following list indicates the suitable PPE the school uses:

- Full body aprons

- Hair/beard nets
- Latex gloves

Kitchen staff will be informed by the head cook on how to properly stock a fridge, including the following procedure:

- Raw meat stored on the bottom shelf
- Cooked meat on the middle shelf
- Fruit and vegetables on the top shelf

Where stock requires more than one fridge, raw and cooked meat will be stored separately.

Kitchen staff will have high standards of personal hygiene, including washing hands in the following circumstances:

- Before and after preparing raw meat
- Before and after preparing and cooking other food products
- After using the toilet
- After touching door handles, light switches or phones.
- After coughing or sneezing

Kitchen staff will check the accuracy of their thermometers by using the boiling water test. For the purpose of this policy, the boiling water test involves submerging the thermometer in boiling water and checking that the temperature reads 100°C +/- 1 degree.

The school's food hygiene record, cleaning schedule and details of all hygiene and safety checks will be retained in line with the local environmental health department's requirements.

12. Environmental health inspections

The head cook will be the key contact for the environmental health officer from the LA – being responsible for implementing any recommendations made to them.

The school will record the following information in an environmental health logbook:

- Any identified hazards, e.g., a fridge running at a 6°C
- How hazards were avoided, removed, or reduced, e.g., turning the temperature of the fridge down
- How any problems are rectified, e.g., reviewing the fridge's temperature every 15 minutes
- How plans are checked for effectivity

The head cook will ensure all the necessary documentation is readily available for inspection for the environmental health officer, including their food hygiene plan and food hygiene record.

The school will have their food hygiene rating certificate in a visible location within the kitchen and on the parent/carer notice board in the foyer. If the school scores less than a five on their hygiene rating certificate, they will implement any recommendations made by the environmental health officer as a matter of top priority. After each environmental health inspection, the school will display their new food hygiene rating certificate in place of the old one, irrelevant of the score.

The school will receive a letter after an inspection with 'notices' – the school will comply with the notices with immediate effect.

13. Monitoring and review

This policy will be reviewed annually by the headteacher, the School Business Manager and governing board, or in light of any changes to relevant legislation. The next scheduled review date for this policy is November 2024.

Any changes made to this policy will be communicated to catering providers, kitchen staff, parents/carers and other stakeholders, where necessary.
