

READY RESPECTFUL ENGAGED

Friday 27th March 2026

Dear Parents and Carers,

Happy Easter! We hope you all have a wonderful two weeks break.

This term has been shorter than most but we have been busy trying to teach 6 or 7 weeks learning into 5 weeks. What with visits and visitors, dodging every type of weather imaginable and fending off germs I think we are all ready for a break!

Next term we begin back at school on **Monday 13th April**. The children in FS2 will be getting ready for their visit to Rosliston Forestry Centre on Tuesday 14th where they can enhance their skills learnt this term in Go Wild. Don't forget to pay through Arbor if you haven't already.

On Wednesday 22nd April at 9am we have a presentation from Compass Changing Lives in the hall and we would love as many of you as possible to join us if you can.

'Compass Changing Lives provides prevention and early intervention emotional wellbeing and mental health support to Children, Young People and Families (CYPFs) across Derby & Derbyshire.

Changing Lives comprises of two distinct services, Mental Health Support Teams and an Early intervention and Targeted Support Service, working collaboratively to provide a comparable offer across the County.

We are a compassionate and friendly team who are here to help support children and young people's mental health.

We provide a free and confidential emotional health and wellbeing support for children and young people with mild to moderate emotional health and wellbeing needs.'

Please click on the link for more information. <https://compass-uk.org/services/compass-changing-lives/> We work closely with Compass and many of our families are already accessing support. Please come along to hear what they can offer.

For September new starters both in Nursery and FS2, Mrs Brentnall is offering tours of the school. If you would like to book on a tour or you know someone who may have a child starting in September, please call the office to book on to one of the dates.

Don't forget we have a Bank Holiday on Monday 4th May. We also have one final INSET day left this year on Thursday 23rd July, therefore the children break up for the Summer on Wednesday the 22nd July at 3.20pm.

More dates and information will follow after the Easter break.

Kind regards,

Mrs L. Blanchenot
