

## READY RESPECTFUL ENGAGED

Friday 6<sup>th</sup> June 2025

Dear Parents and Carers of year 2 children,

As we move into the last half term of the academic year we have lots of activities planned for the year 2 children to support their transition to the Junior School. Most of the children will make the move seamlessly and will settle into life at their Junior school without any concerns or worries. We will be working with the children and the Ravensdale Junior School (RJS) staff to ensure the children feel confident and happy when they transition. If your child is due to start a different Junior school in September they should have some planned transition from the 1<sup>st</sup> to the 3<sup>rd</sup> of July as these are national transition days. Please contact their new school to find out what they have planned.

Here are a few of the things that we already have planned in with RJS. There will be extra support over the next few weeks for anyone who needs it. Please be assured that it doesn't matter how big or small the children's worries are we will work with them to alleviate these for them. For those that need extra visits, these can be arranged.

The staff will also have meeting times when we will handover all relevant information to the Junior School staff. For any child moving to a different school there will be a separate handover.

The children who move to Ravensdale Junior School will move up in the class they are currently in. This worked very well last year and means one less thing for them to think about as they make their first transition in their next school life.

If you have anything you would like to discuss regarding transition please speak to the current class teacher or alternatively contact Ravensdale Junior school on 01332 512373 or the school your child has a place at.

Kind regards,

Mrs L. Blanchenot
