Further Q&As You Might Find Useful:

How do I know which size to order?

In the image section of the online shop, you'll find a detailed size chart. If you're unsure about which size to choose, please use these measurements to check against your child.

When can I expect to receive the hoodie I ordered?

Hoodies will be delivered in bulk to the school approximately three weeks after the final order date: estimated by the **27th June 2025**

Can I order more than one hoodie?

Absolutely! You can order multiple hoodies. If you have any specific requests, such as who should receive the hoodies, please mention them in the notes section when placing your order.

What if I don't have access to the online shop or a credit card to pay online?

We encourage everyone to use the online shop for convenience, both for parents/carers and school. However, if you're experiencing difficulties with this method, please reach out to the school. We will work with you to find a suitable alternative.

If I miss the order deadline, can I still purchase a leavers hoodie?

If you miss the deadline, your child's hoodie won't be included in the bulk school order. The bulk pricing is specially negotiated based on the total school order. Late orders are accepted by our supplier, but they are treated as individual orders and will cost £65.00 each, including home delivery. This higher price reflects additional print and labour costs. Late orders will also be delivered separately from the bulk order and at a later date.

What kind of quality are the hoodies?

We carefully selected the supplier to ensure good-quality hoodies. Detailed descriptions, including the material and care instructions, are available in the online shop. Please follow the care instructions to maintain the hoodie's quality and longevity.

If you have any more questions, feel free to contact us.
