

READY RESPECTFUL ENGAGED

24th March 2025

Dear Parents and Carers

As you know, we have been working hard to develop our **outdoor play and learning provision (OPAL)**. We are organising fund raising days to raise money to further develop our school grounds and play provision at lunchtime. We hope to raise money initially, to build a new mud kitchen, a large sand pit (and sand resources) and to buy wellies and equipment storage cupboards to allow the children easy access to resources. We are also looking to purchase resources to enhance areas already set up based on feedback and requests from the children.

Our first fundraiser 'Break the Rules Day' will be on Friday 4th April 2025.

Children will be invited to break the rules in school, by choosing from a list of things they can do that day. Each rule break will be a 50p donation payable via ParentPay. Children may select as many rule breaks as they wish to. A poster will be shared with parents/carers and the children nearer to the day, listing all the rules children may break.

****Nursery** Break the Rules Day will be on Tuesday 1st April and Friday 4th April.

Thank you for your continued support to enhance our children's play and learning opportunities.
We look forward to the day!
